

Budget in the other 8 Arab countries

UAE, Kuwait, Qatar, Bahrain, Oman, Jordan, Egypt and Lebanon: contacts, rules and locations

Compiled from Budget's public websites (budgetsaudi.com, budget.com and the Budget country sites), checked 25 September 2026. Points marked **General practice** are common Saudi or Gulf rental practice, not a published Budget rule: the branch or the reservations team confirms them.

Each country's Budget company sets its own prices and rules. The Saudi policies do not automatically apply elsewhere. For bookings in these countries, the agent can take the request and pass it on, or give the local contact below.
